“ *Lillian, I will miss you and our talks. We were the only two that could spend hours on the phone and did. We never ran out of anything to say. But I understand why you left. You missed the trailer where you had your life. I understand, but I will miss you all the same. At least you are with Roy, your Mom and Dad, and you are no longer in pain, cancer sucks & COPD sucks. I miss you already and want to call you, but I cannot. I see something I want to share and cannot. I Love you. God will Help me, as he is helping you. Sorry, I was not at the service, but you, of all people, understand...*
