“ *What can I say other than I was truly blessed to meet and know this sweet Godly woman. She was such a delight and lit the room when she walked into it. I got to know her through her daughter Sandra several years ago. I'm so sorry that she is no longer here but the pleasure of getting to know her was simply a treasure that I will never forget. Sandra, Ashley and Allison you are in my thoughts and prayers. I pray that God will comfort you in the many days ahead. Cherish all the special memories that you were able to create throughout the year. She was a very special lady and will not be forgotten by the many who were touched by her friendship.*

*Love to you all.
