“ Oh my heart is broken..Linda and I both worked at GA Power. I was in Valdosta and she was in Atlanta. We talked every day, usually several times each day. Linda liked to talk and I liked to listen..the funny stories we shared, and the gossip too! Many times I needed her shoulder and she always gave hers to me. She and Steve traveled through Valdosta not too long ago and I met them for breakfast and later for wine. I'm so glad I had that visit with her. My heart weeps for Steve, they were two peas in a pod together. I'm sending heavenly prayers for the family. There is surely another beautiful angel in heaven now...I miss you my BFF..
