“ *I first met Linda in nursing school at Grady Memorial Hospital, but I didn't get to know her well until after we had our 50th year class reunion. We began having monthly luncheons with several other nurses and became friends. I found Linda to be a very generous, caring, and thoughtful person. She will be sorely missed. Sending comforting thoughts and prayers to the family at this sad time.*

“ *During the prep work for our 50th reunion we asked classmates to provide a summary of their lives since we graduated in 1969. Linda wrote her life blessings: "I think my greatest love has been all the wonderful family in my life that I have been blessed with. Now I am in the twilight of my life and am surrounded by my church friends, my family, and my faith. I have a comfortable retirement and a rich life that is full and satisfying."*

“ Linda was my roommate in nursing school. We studied and worked hard, had good times and sad times. She was always a gentle, sweet soul and so loved babies.
