“ *There's a little less light shining on Gwinnett County. I was one of the lucky one's who got to know her through the many coworkers that we shared and even though I didn't work directly with her, she always encouraged me to do more than I thought that I could do. What a true blessing she was to me. I will always remember looking over at her and seeing that bright smile that she had on her face, and soon to follow was her laughter that was shared with so many of her co-workers! My thoughts and prayers are with her family at this time. God Bless!*

“ My heart is truly broken on hearing of Linda's passing. My best friend in high school. We kept in touch through the years. So glad that I got to visit her a few months ago. May God hold her family and friends in His loving arms during this sad time and give them comfort. I will truly miss my dear friend.
