“ Hey Cousin's, I am so sorry for your loss here on Earth. I know this sweet, sweet Lady is in Heaven. When people in our family go to be with the Lord, I think of all those that went before and I know that they welcomed Linda as she entered Heaven's gate!! I loved her!! I always loved to see her at reunions because she always gave me a big hug and I know that when I go she will be there to greet me with that same big hug!!!
