“ Linda was my friend and co-worker . She was a hard working woman. She was a very strong woman who loved her family and friends. She fought the fight and won the first time. She fought hard this time too, but God decided that she had fought enough and wanted her home with him in no more pain so that she can finally rest . You will be truly missed Linda. The family just needs to keep you in their hearts so you can be with them always till you all meet again one day. God has blessed you in so many ways and he has blessed me also just for meeting you and you being my friend. Rest in Peace my friend. I am praying for strength for your family. 🙏
