So sorry to hear this about Linda. I am a distant cousin. Patti Bryant Brady, Margaret Griffin was my grandmother. I remember Linda coming to her house when I was young. She was the sweetest person. My sister lived with her parents for a time after my dad was in a bad car accident. I remember all the girls well and my prayers are with you all on the loss of Linda. She was a very special person. Heaven had a very special place to fill.

“ Linda is my 2nd cousin. I have not seen her since 1969 but I have never forgotten her. I had the privilege to live with Linda’s parents when I was very young. My dad was in a bad car wreck and they took care of me until I could be reunited with my family. Linda always made sure I felt at home and would comfort me when I was upset and missed my family terribly. She was Truly one of a kind and the sweetest person I have ever met. Heaven certainly gained an angel..🙏🙏🙏🙏

“ Linda was and is a truly life long friend. This includes our eternal life. She was one of the pretty teens of the church when I was a little boy. I was the same age as Sandra and a little older than Becky. We share many memories both wonderful and sad. This is life on this side. Now Linda is walking the street of gold forever happy. I will see you again, Sweet Love.

“You are better off to have a friend than to be all alone, because then you will get more enjoyment out of what you earn. If you fall, your friend can help you up. But if you fall without a friend nearby you are in trouble.” Ecclesiastes 4:9-10

Linda I am forever grateful to God for allowing me to call you my friend. Our daily coffee times at work I will forever cherish. Just fellowshipping with you everyday was the highlight of my day. Although I'm missing you, I thank you for not only telling me you love me, but you lived a life filled with showing love. Always your friend Theo.

“ Someone very special has passed from this life to the waiting arms of God. Linda was a genuinely sweet person. To know her was to love her! Delightful and upbeat, you saw her beautiful smile and heard her cheerful laughter before you saw her. She was kind-hearted and generous, always putting others first. Her memory will be in our hearts forever. Our love, thoughts and prayers are with her dear family.

“ Her daughter Amy is my daughter in love .
Her husband Johnny was my husbands best friend.
Over the many years we have done many things together as families from sharing grandsons and a greatgranddaughters to camping and boating car shows .
You never had to worry about food cause grandma linda brought enough to feed the neighborhood
Oh the memories that flood my mind.
This doesn't seem real.
We have a new baby coming in August and I am the only grandma left on the boys side I promise grandma I will love our babies extra .
I am so heartbroken and I am so glad I saw you Sunday and held your hand and told you several times I loved you but God I didnt know it would be the last even though I knew you were very weak 🥹
