“ I have loved and appreciated Linda , she has been coming to Gracepointe some time and attends our Bible study class and Joy ministry. Our class goes out to lunch on Sunday and Linda was with us enjoying every minute. We had wonderful times together and she will be missed so much. My prayers will be for the family that she loved so much. You will have great memories she has left for you . May God have His loving hand on you and to let you know we are here to encourage you in any way we can.
You are loved.
