“ Linda Lee was a beautiful, wonderful woman. I moved to GA from Mississippi in 1990 and I met Linda at Precision Planning that year. She was so helpful when I first started. Any question I had she would answer or get the answer for me. For over 30 years, she has been a dear friend to me. I will miss her so very much from my life. I have lost a dear friend from my life. I give all my love to her family who have lost this amazing woman.

“ Linda was very kind to me when I started working at Precision Planning many years ago, a sort of surrogate mom. I am sorry to hear of her passing.

This world has lost a beautiful soul.. a beautiful lady inside and out. I can't say enough great things about Linda Lee. I thank God for blessing me with a dear, close, & treasured friend like that who's been more like a sister than friend. Her greatest joy and blessing in this life has always been her family as a proud, loving & dedicated, wife, mother, and Mimi. Linda was a light in this world..a heart filled with kindness, generosity, and compassion for others. It's an honor to be among all who have had the great privilege of knowing her, and I miss her already. My heart breaks for Tony, Christy, Kyle, Brady, Colt, and all her precious family. May God wrap you in His arms now and see you through the days ahead. Love you all, Pat Bridwell ❤️❤️
