“ *To Donna, Deg, Lori, and Deanna ~ My memories of both of your parents are as plentiful as they are precious. Both did so much for me, never asking anything in return. I will miss my Aunt Linda every day, but I am rejoicing that she is in the presence of the Lord. No more night and no more pain. I know He will comfort you during this time and for all the years ahead when you too will be missing your darling mother. I love you all.##imported-begin##Jennifer Weber##imported-end##*

“ I am a friend of Kimberly Stout, Linda's granddaughter. I met her when she came to visit Kim and family in Ohio. I immediately felt at ease with her, and after talking to her after a bible study, could see the years she has spent following God. Her impact on Kim's life is immeasurable. She knew she was always welcome back at our home church, whenever she visited. Praise God that she can dance and sing, and no longer be in pain. We will miss her stories and example.##imported-begin##Theresa Lyons##imported-end##

“ Dearest Deanna,

Please accept our sincerest sympathy to you and your family on your Mother's passing. I did not know your Mother but I knew of her and of the strong role she played in your life.

No matter how prepared one is knowing someone is going to die, there is still a tremendous amount of grief and mourning to deal with. Remember the good times.

Our best to you at this very sad time,

Jean and John Boyce.##imported-begin##Jean Boyce##imported-end##
