“ I have so many wonderful memories at the ballfields, Dacula High School and they all have Lisa with that beautiful smile and laugh that she had. Just being in a room with her made you feel all warm and cozy. Heaven sure gained an amazing angel when she entered those gates. She will greatly be missed. I loved watching her smile talking about her family and her grandkids. I am blessed to call the Etheridge family my friends. God bless you all during this difficult time.

“ I am so very sorry to hear of this. Lisa was such a beautiful person (inside and out). She was younger than me but I always remember what a sweet, pleasant, beautiful girl she was while we were in school and thereafter. Her precious sister, Linda Hudlow, is in my Sunday School Class at Hebron and I have been able to keep in touch with Linda about Lisa and all of the family through her at Sunday School. I know that Linda's husband, Johnny, had just received really great news from his doctor and we were all thanking God for this. Then I got the E-Mail from my Sunday School teacher, John Bailey, telling me about this sad news of Lisa. My husband and I are praying for Donald, Linda and Johnny and all of the entire precious family. May God be with each one of you and help give you strength and comfort through this time. God truly gained angel to be with him for eternity.
