“ *Lisa was my friend for many years, although we haven't been in touch for a while. She was a very good friend to me. I remember all of the good times that we shared. We would go out, dance, laugh and talk about our past, present and future. When I think about her, I remember her smile, laugh and her beautiful soul. My one regret is that I lost touch with my friend. Sometimes we make the mistake of thinking that the people we love will always be around. Lisa Darlene Francis was not only a friend, but family and I will always love and miss will her dearly. (504) 559-4451##imported-begin##Cindy Williams##imported-end##*

“ While I have not seen Lisa in many, many years, I will always remember her beautiful smile and bubbly personality. I recall taking a student council trip with her when she was a senior and I was a sophomore in high school. She was a joy to be around. Always kind and considerate. My deepest condolences to Lorisa and the Francis family.
