*Mama,
I know in heaven the time I will be on Earth before I can see you again is but the blink of an eye now to you.
As a soul still making it through life, now sadly without your beautiful smile; that time seems like an eternity.
I love you with all my heart and soul. I long for the day I will feel your hug again after my days on Earth are done.
You are forever in my heart.
Your Loving Son,
Eric*

I wish I could have seen you one more time to tell you just how much I loved you, how important you were to me or how much joy you brought to my childhood and life. There will never be anyone like you, with a heart so big and warm and hugs that feel like eternity and safety all at once. I look forward to the day I can have one of those hugs again. I love you so much my "Ragdoll". You are what all Grandmother's should strive to be. I love and miss you so much. -Kara
