“ *Words cannot express my sorrow when I learned of Mr. Burke's passing. I remember the day I met him 40 years ago, he hired to me to work at his shop at 100 Oaks Mall in Nashville, Tennessee. While he taught me all aspects of retail business, what he was really doing was teaching me about life. I am a better man for knowing him, and I'll never forget him.##imported-begin##Joel White##imported-end##*

“ *We were sorry to hear of the death of your father and know he had a long struggle with Parkinson. We will always remember with fondness how nice he was to Buster and will always remember the aroma of his pipe at football games. I was somewhere and smelled a pipe and looked around to see if it was your dad. I know you have many happy memories. Our prayers are with you during this time of grief. Come to see us if you are ever in Smyrna.##imported-begin##Judy and Olan Clemens##imported-end##*
