“ *From her team of caregivers at Gwinnett medical center Duluth we are truly sorry for the loss of this amazingly sweet lady. We all loved her and we're humbled every time we saw her. She never failed to bring a genuine smile even though she was in pain and struggling for each breath. We all were so blessed to have been given the gift of knowing Lois. So thankful she is at peace and without pain. We will miss her but will smile every time we think of her. Blessings to her family and especially Jenny for peace. Very sincerely, Wendy, Selin, Jennifer, Joan, Kelly, Dee, Shane , Connie, Anne and Marie.*

“Lois was my step sister and she was more like my sister....I will miss her soooo much.... she was so good to everyone and never wanted anything for herself. She was wonderful to my mother, her step mother, and took care of her and Lois' Dad as he grew sick and older. She gave of her time like no other to be with them every weekend and every night for many years..She was an awesome person. I loved to go to Mama's and JR's to spend the weekend and Lois would rent movies for us to watch when they went to sleep...I miss those times with her. And her coming to all of our parties, get togethers and family functions....I love you, Lois!! I will miss you!!!
