“ *Lois was my great aunt. She was always so sweet and loved seeing family. I'll never forget riding my bike on the road in front of her house since it was right behind my house. She was always so caring and will be missed.##imported-begin##Morgan Edge (Still)##imported-end##*

“ *It was my pleasure and privilege to be Lois's pastor. She was always encouraging and she was always concerned about the church members and others in the community. She was a great help in writing the history of Ebenezer by sharing what she remembered. I look forward to seeing her in heaven in eternity.##imported-begin##Steve Ferguson##imported-end##*
