“ This is Margaret writing. John Shutt is, I believe, the first cousin of Jack Rockey, and we were at his funeral in Dickson. We lost contact with Lois after Jack died but rememter her as pretty, and a very nice person. John is retired and we live in Southern Manor, an assisted living facility in Fayetteville, TN and I believe that Jack was in charge of Khun's Store here many, many years ago. This county of Lincoln is my home county is the reason we retired here from the Boy Scout Ranch in Cimarron, NM. I will be 93 on the 10th and John was 92 last month. I am in a wheel chair and John has a heavy duty walker but we are getting along well for those ages and are well taken care of. Our son, Jack, and his wife and their daughter and her husband and their two little ones live about six miles away.##imported-begin##John and Margaret Shutt##imported-end##

“ As well traveled as she was when I met her, I had the pleasure of driving her to see one of the real Wonders of the World, the Redwoods in California. She told me that she imagined Heaven would be similar. May she forever be able to see and hear and feel and smell those beautiful trees forever more.
