“ *What a great Lady. Worked with her at Stiefel Labs in Doraville 1975-1978. She would always call us for Christmas and we missed her call. Al & Joyce from New York*

“ *I worked with Lona at Stiefel Laboratories for 2 years (1975-1976). Lona was a great co-worker and friend. Lona, with her husband Ken, invited my wife, Debbie, and myself up to their cabin in the North Georgia mountains. Very tranquil and beautiful up there. I regret not staying in touch with Lona over these many years, as she was such a nice person, one I considered a friend. Kevin Reeth*

“ Remembering a wonderful southern cook and hard working lady! Our family shared many good times with the Thompson's, usually centered around food: eating watermelon, home made peach ice cream, and holiday get togethers. Your memory and family recipes will always be treasured.
