PS

“ We had made a visit to see Londa and Craig and Londa had just purchased a convertible vehicle. I can't remember the brand but it was fine!! Londa said come on and I will take you for a spin and so we did. Now Londa and I had a song that we both loved and she popped in a tape. When I heard the saxophone I knew what the song was. Bob Segar "Turn the Page". We both started singing to the top of our lungs. We were having the time of our life. I have so many memories of my friend, but anytime I hear that song I smile and think of that time when we were both together singing. I will miss you so much, but I know you are in heaven with the angels and you are at peace and no more pain. I will see you again my dearest friend!!!
