“ Mary Anne, I hope you remember me. We took lots of notes in one of Murphy's classes. My husband died in 1996, so I know how limited condolences can be. However, I will praying that the Lord gives you comfort and strength. He still has plans and even joys for your future. Nancy Storey Barrett###imported-begin##Nancy Storey Barrett###imported-end##

“ Mary Anne and family,
I was so sorry to learn from Dara (Dru) about the passing of Lonnie. What a long and beautiful marriage with the children and grandchildren to bear testimony to that very special love and bond. You are all in my thoughts and prayers. I know that all of those children and grandchildren will be there for you, Mary Anne, every step of the way. God Bless!

“ *Mary Anne, You probably don't remember me, but we sat side by side in World History class. My husband, Gene Barrett ,died October 15,1995. I am truly sorry for you lost, but I believe we will see our loved ones with Christ I Heaven. That is little comfort now, but eventually you can as I do hold onto that truth.Nancy Storey Barrett###imported-begin###Nancy Storey Barrett###imported-end###*

“ Jason, Olivia, and family,

Patrick and I are very sorry for your loss and know that your dad is looking down on everyone with great pride in his eyes for the family that he raised and influenced. From everything we have heard about him, family was the most important thing in his life. Even though you are grieving now, take relief in knowing that he is with our father in heaven and is no longer in pain.

We love you all and if we can do anything for your don't hesitate to let us know.##imported-begin##Anna and Patrick Young##imported-end##
