" I remember when you first move to Georgia. You rang the bell and brought us those famous cookies and brownies you loved to bake. Lori, I am honor to have known your 15 years and neighbor for 12 years. I was so sad when you left for Huston and last summer when you sold your house. But, it was all good because you had a new partner that was making you super happy. I am glad I share many memories with you walking, gardening and afternoon family meals. You are example to every woman. Your were so strong smart, funny, caring and beautiful. May God bless your family with strength and fill their heart with peace. "

*Love ya

" I am so saddened at the loss of Lori. I cannot fathom the amount of sorrow that you all must have at this time. She was a wonderful woman and I am glad that I had known her. The last time we talked she was so incredibly happy. My sincere apologies for your loss. It's hit me hard just hearing about it. She will be missed.

“ *Lori was such an incredible lady. I remember when she moved to Houston and we went apartment hunts. She wanted as close to the office as she could get so she won't get lost. We laughed about that for long time. She will be missed forever! Prayers for the family*
