“ *Our thoughts, deepest sympathies and prayers are with your entire family during your time of loss. We can only imagine how difficult the past seven months have been on Lorna and your entire family. We pray and hope that God grants you peace and comfort in knowing that her pain is gone. I know from experience the deep loss in losing parents and grandparents. Find encouragement in the fact that, in time, God will lessen the pain and in its place you'll cherish many wonderful memories to celebrate her life.*
