“ The day I met Lorrie I was ask by her Nanny to drive her to Lorrie's house cause she was sick with Strep throat. As she tended to Lorrie and Misty I cleaned her house. She later told me it takes a special person to clean someone house you don't even know. From that day on we just clicked and it was if we had always known each other always. What a special, one of a kind lady she was. One of the best and true friends I've ever had in my life. There's just some people you like instantly and will remember always. She was that person to me. The love we had for each other will never end. I will never forget her.💔😭❤️
To the family, may God touch your broken hearts and give you comfort and peace. Cause it's not goodbye, we know where she is. Till we see her again you are in my thoughts and prayers 🙏
