“ I am a classmate and dear friend from high school of Lottie Jane. We had so many great times together at Central Gwinnett HS. I was in her wedding but we lost touch over the years. I bet you did not know her nickname among her close friends there. It was "Squatty Mae". There were five of us girls that were especially close and I can remember slumber parties at Lottie Jane's in a small house behind her grandmothers. Oh, we had some great times there just listening and dancing to rock n roll music. So sorry I did not get to come to visitation but both my husband and I have had Covid and can't seem to get to feeling like getting out again right now. Loved Lottie Jane and so sorry for your loss. She was a special person and I have so many fond memories of our school years. Violet Chadwick Bentley

“ I met Lottie the day I moved into the house next door to hers. She came over, welcomed me to the neighborhood, and asked if she could help or bring us water. She was a sweet Southern lady through and through. She and Terri are some of the best neighbors I've ever known. I am praying for Terri and the family.
