“ *Loving friends till the end. Always a smile on your face and love in your heart. Half glass full person who could brighten your day with just a look. I know you had a lot of pain in your life but I know you are now feeling nothing but pure happiness and joy. I'm gonna truly miss my friend. Dance across the heavens once for me. Peace and pure happiness for you my friend. Till we meet again.*

“ *I will always remember LouAnn coming in to see the doctor on the side of NEA where I worked. I knew her from school, sort of, because I recognized her, but never knew what a sweet lady she was until then. She and I would talk and visit awhile and I knew from that point on, she truly was a genuine person full of love and respect for her husband, children, other family members, and children. I am so sorry we all won't see her for awhile but proud to know she is feeling wonderful in the land of milk and honey. God Bless Your Breaking Hearts and Heal Them so that you may go on with wonderful memories to help sustain you.*

“ *I am so sorry for your loss. Lou was a very special lady with such a quiet and peaceful soul. I loved her so much even though we didn't see each other offend the last several years. We had some very good times together and lots of laughs.*
