“ I met Lou in 1998. We were working for engineering firms on the City's sanitary sewers. He was the type of person that you knew was a great friend at that first time. We both end up at DWM and every day for the past 2-years when he walked by he said hi. We had lots of good times solving the City's problems. I will always remember how helpful and knowledgeable he was. I am also going to miss all those quotes from the movies!

Louis...would forever remember our long “race talks” in the hallways on 72 Marietta. The Alabama Grand Prix was a blast. We never made it to Europe for Formula 1 but now you can go anywhere...P1 to podium my friend.. Rest In Peace.
