“ *Johnnie & family. I am so sorry for your loss. I did not know Louie had passed until I accidentally found myself on Facebook. You and Louie were such a beautiful and loving couple. I know you will miss him terribly. My prayers are with you and the girls and all of Louie's family. I remember when you started seeing Louie. You would light up every time his name was mentioned. I knew at that time that you all would be together forever. It was a blessing to know you and Louie even though we didn't get to see each other. Please know I am here if you ever need me. I love you and always will.*
