“ *Anita and Lucia. We are so sorry to hear about your Dad. I was unable to get by to see you, but we wanted you to know you are in our thoughts and prayers. The memories will always stay close to your heart and a part of your Mom and Dad will always be with you. We think of you often and all the times we shared together. Louie and Johnnie Fowler*

“ To Lucia, Anita and all of your family. We loved Louis and Margaret so much. We so enjoyed hearing both of them reminence about their lives and seeing pictures of them from days gone by. We felt honored to have met most of you, their family and seeing how loving and caring all of you are. They were so proud of all of you and when we met you we understood why. We know how hard this is and we lift you up in prayer. Love, Chuck and Judy Knight
