“ *Rest in peace Louise*

My heart was saddened when I heard you had passed on. You are no longer in pain and I know you have fought a hard fight. I will never forget you. We have had some good times in the past when we were neighbors. You were the best neighbor a person could ever have had. We shared a lot of laughs and we had many conversations that I will always treasure. I know you will be missed by all that knew you and your family most of all. I have known you and your family all of my life, us all being from Loganville we couldn't help it back in the day.

I always just sort of looked at you as the one that would jump in there and try to handle everyone's problems. You supported your family and Jerry and Cheryl and the grandkids. They always knew who had their back.

To the family of Louise, please call on me if I can help with anything.
