“ So very sad to hear the loss of Aunt Louise. She reminded me so much of her Mom. Beautiful heart. Special memories of our childhood with her. Blessings to your family. Always in my thoughts.

“ Sending love and prayers for comfort to this precious family. Aunt Louise was so sweet and I have so many fond memories of her & uncle Banks. She never forgot to call Daddy (Elzie) on his birthday, as they shared a special bond. Wish we could be there to honor aunt Louise, but know that we are there in spirit. What a wonderful legacy she leaves behind.

I knew Miss Louise (as I called her) from the Life Care Center of Lawrenceville where my mother, Shirley Fletcher is right now. She was in the room next to my mother. She used to share meals at the same table as my mom, so I got to know her more during those times. I always enjoyed seeing her and helping her tuck her blanket around her shoulders. She was such a sweet precious lady and I will certainly miss seeing her smiling face ! I've met a few of her family members that came regularly to see her... my prayers go out to all of you.

“ Sweet Aunt Louise, one of the most humble and precious people I've ever been blessed to know. I have such precious memories of my childhood, hanging out with my cousins Robert, Lynn, Don & Roger at his Mom and Dad's house, getting into trouble playing in the barn, and then listening to Banks "make music and cut records", and Louise in the kitchen cooking for us all. I will really miss her being here, but KNOW that she's at home in heaven now, with Banks and many of her family and friends. I loved her !!!

To the family - I pray peace and comfort for you all during this sad but also joyous time. Love you all.
