“ To all the Family of our beloved Aunt Lou at this time of sorrow, may these truths sustain each of you... our love for her will always be as close as a memory, and the comfort of our everlasting God will always be as close as a prayer. May each of us find strength in saying our good bye today, knowing that for those of us who have accepted Jesus Christ as our Lord and Savior there will be a tomorrow. Aunt Lou has impacted all of our lives in some manner , some more so than others, but when that someone becomes a memory to us, those memories then become a treasure to our individual lives. It'll be the little things that you remember, the quiet moments, the smiles, the laughter and those really special moments you shared together and although it may seem hard right now, it will be the memories of these little things that will help to push away the pain and bring the smiles back again.

As we all grieve in our own special way, may the Love of God enfold each of us in a special way during this time.

With our Love, Oscar, Debra, Lori and Luke Edwards##imported-begin##Oscar & Debra Edwards##imported-end##
