Donna, I am so sad to hear of Gary passing. I will always remember sitting with you two at lunch time in that break room in the old city hall building. God bless you as you carry on your life without Gary.

“ *I was away when Lt. Lowe passed and only just learned of his death. Lt. Lowe was a fixture at the Lawrenceville Police Department for many years, and even after his retirement, he would come by for our Thanksgiving or other celebrations. He was here for more than 20 of the more than 28 years I have been here. He was always good-natured and certainly had the backs of those officers under his command! He will be missed by many, but most especially his children whom I know he adored!*

*Rest in peace, Lt. You have earned it.

“ I didn't know Gary for long, but I groomed his little dachshund Reba. He really loved her and was devastated when she crossed the Rainbow Bridge. Now he is able to be with her again. RIP, Gary. I know you are now at peace.
