“ To the Family of Lt. Fernandez, I did not know Lt. Robert, but having been in the field of firefighting for 50 years, it is never easy to learn of losing a Brother Firefighter. Regardless the age.

May God give you peace and strength as you encounter this dark valley of Life. God knows very well the ending, long before we have a clue of the beginning. That I know does not allow the hurts to be any easier..Our thoughts and prayers are with you all. Chaplain and Mrs. L.R. Longe BCFD Jackson, Ga.

“ Fig was a positive roll model and leader. He helped teach me how to build a 3:1 pulley system to be used in swiftwater emergencies. We taught many acting lieutenant classes together and he had a big influence as a mentor. We'll miss you. jes

“ Robert had a way about him that you had to laugh at. When he was trying to get my attention he would say Now Sister Ann...and I would say Yes Brother Robert...and when he was ready to hang up the phone he would say well alrighty then instead of bye. Once when talking to me he said as we were hanging up I love you, which he did not say to anyone but Melissa and the kids, I just giggled and said awww I love you too, he laughed and we hung up. He was always there when we needed him. He was more than just a son-n-law, he was our son. We miss him very much and we were blessed to have him with us for as long as we did. We love you Robert, may you rest in peace.
