“ Frank Otto

Thank you my friend. Every time I think of you I am always grateful to have known you. When my husband was in Europe studying and I worked at Gwinnett Medical Hospital late at night, you Officer Frank Otto and Officer Jimmy Bryant took it upon yourselves to make sure I got to my car safely as you issued your instructions “and lock your door” with your heartfelt smiles. Your care and concern to know if I were going straight home or stopping off at the store was most appreciated. Then you or one of your men would be at the old Kroger and when I had purchased the few items and back into my car you would wave me on.

Ah but the best part was when you would arrive at the hospital rubbing your hands, salivating and with twinkling eyes and ask “what do we have to eat today?” It was with pleasure I baked treats for you all. The one I remember most is when you all did not think I could fix Southern food. So I fixed a lovely pot of beans, brought it in and it was my turn to beam from ear to ear and I did. Only to have you and Officer Jimmy Bryant ask where is the corn bread. Corn bread? Oops, sorry I did not know corn bread went with beans. Lesson learnt. I have never again made that faux pas.

Dear Officer and friend I will miss you.

Sincerely,

“ I am so saddened to learn of Frank's passing. I got to know him during my two years as Recorder's Court Judge in Lawrenceville. He also stood watch at my house one night when I recieved a terroristic threat. Great fellow-always had a great sense of humor.

Please know that my thoughts and prayers are with his family during this difficult time.##imported-begin##Mike Tennant##imported-end##
