“ There were so many good things about Grandma Lucy but some of
the best things about Grandma was the huge heart and sense of
humor she had. She made me laugh, made me feel proud of myself
and filled my soul with love and wonderful memories. She loved me
and I loved her so very much. I'll always smile when I think of her
and it will hurt so much now that she is not here for me to hug and
kiss but I will carry her with me everyday in my heart.
