“ *I was SO sad to hear Lucy passed away. I worked with her at the St. Vincent de Paul Thrift Store and she always made me laugh. I loved her sense of humor and she "got me". I have missed her since she left, and now I miss her even more. If only more people could be like her and find the funny side of things...Lucy, I love you!##imported-begin##Deena Sutor##imported-end##*
