“ *To the family of Mr. Chacon:*

I was so sorry to hear of Mr. Chacon's death. He was such a hard worker and loved his family. He lived well, but God promised us eternal life (John 3:16). God did not give us life, with all the brain power we have, and all we have yet to learn, simply to allow us to be swept up after a short amount of time. God promised that death is like planting a seed; we don't see the seed, but when planted, we know it will sprout again, a new life to carry on (1 Corinthians 15:36). Jesus promised a man who was dying beside him that when Jesus received his reward, his kingdom, that man would live again, in Paradise(Luke 23:42,43). Until that happy day, may faith and family support you.

Respectfully;

Robin Harris###imported-begin###Mrs. Leonard L. Harris###imported-end##
