Cousin Lunell was a very special person, loving and caring for all. She saw good in everyone, and she loved her Lord and Savior above all. Besides being related, she was a loving and trusting friend. I will always love and miss her.

Ken I was fortunate to have known your sweet Mother at Texaco. Never met you but can't tell you how many times I heard her mention your name in our conversations. So sorry to hear of her passing. One if sweet's ladies I ever known.

I have loved this Pannell family from as far back as I can remember. Linda and I started school together and spent many years talking about our families. I loved Lunell from afar. What glorious memories all of you have to share. I pray you find comfort in those memories. Lovingly,

Ken, on July 2, 1973 I began working at Texaco. Lunell was the first person I befriended, and I'm blessed to have worked with her for many years. She was, indeed, a wonderful, loving, and God fearing woman.
