“ The only word to describe Aunt Nette is LOVE. Her love for her sons and their families could move a mountain. We shared so much. She rejoiced with me in the good times and cried with me during my darkest hours. She held me in her arms when I was shattered. She scolded me when I fell into self pity, reminding me that we were strong. Always reminding me to trust God and to be still and I would receive His grace.. She was as soft as a rose petal but as strong as an oak, bending but not breaking. The last words she said to me last Wednesday were "I love you". What else matters in this life I thank God for her and the love we shared. I pray that her strength lives in me. Thank you Bill, Steve and Cris for sharing her with me.

“ My grammy was one of my best friends! I loved listening to her stories and she was always there for me! We would joke that we never slept and stayed up all night and would call each other! I have so many fond memories of growing up as she was a constant fixture in my life! I will forever miss you my Grammy and I love you so very much!!

“ I will always remember Aunt Net as a very strong lady. She lost her husband to cancer at a very young age. She raised her 3 boys with the help of the good Lord and other family members' support. Aunt Net was always willing to take time to talk to me if I ever called and needed her. She is now in Heaven rejoicing with all the Haywood clan that has gone on before her. Rest in peace Aunt Net. You will be missed but our love for you will never end. Connie Haywood Raleigh
