“ *68 years ago, Bobby & ML met at Southern Bell and a lasting friendship never ended. Our hearts are heavy now that ML & Faye have passed on. Our condolences to the family. To know ML was to love ML.....The sweetness in his voice & the kindness in his heart was enjoyed in each telephone conversation during his last years. ML will be missed and may all the family realize that others loved and cared .*

“ *He was my best friend/neighbor while I was in GA working for the Army at Ft Benning. Words can't express how much I appreciated him taking time to talk to me and be concerned about me missing my family and home in California. Rest In Peace M.L.*

“ *It's difficult to find words to express the sense of loss with ML's passing.*

*I was so lucky to have had both he and Faye in my life for almost 50 years. They loved deeply, gave generously, and supported us in so many ways. And ML had a wonderful sense of humor. He could make you laugh so easily, but some of the funniest times were when he would retell stories about himself! What a character he was! My condolences go out to all in the family and friends as well. A tremendous loss for us all.....*
