“ *I knew Mae Lee, 48 years ago. My friend Denise Thomas, whom I met in Middle School? Mae Lee was her aunt. I am sad she is gone. She is in heaven working on power lines. She was on the front-page newspaper 50 years ago? I believe she was the 1st Lady to work for GA Power, on the Electrical Power Poles. My hat is off to her with a bow. I loved her.*

“ I didn't find out about Mae Lee until last night. I plan to attend the funeral today. I guess I have known Mae Lee for over 30 YEARS now. She has been telling my fortune for that long. I saw her back in the summer and I am so glad I got a chance to talk to her then. She even told me she would teach me how to read cards. I guess that is something we will have to do when we see each other in heaven. I am really going to miss her !! At least I don't have to tell her "goodbye" I can just say " I'll see you later ". My thoughts and prayers are with all of you today. Love, Carol Bremer##imported-begin##Carol Bremer##imported-end##
