“ *Mrs. Case, she never met a stranger! All at once she cooked for 30 or for 4. She imparted sage advice AND witty banter in smooth transition. She perfectly navigated the role of wife, parent, friend, jokester and advocate. You will always be an integral part of my childhood and teenage years. Forever you will live on in our hearts. Rest Well Mom! Tania Murray*

*Magda, my sister from another mother, you were always there for me when I moved to Miami with 2 young children. You had to stop at my house everyday to check in, on your way home from work. You were a blessing just knowing you had my back at that crucial time of my life. Love you Mags and will never forget you "Sis". RIP.*

“ *Condolences to the family that took me in when I came to Florida. David is my brother from another Mother. I cannot forget one day I was in the front of the house and opened a radiator cap and it blew up and burned me. Mom ran out when she heard me scream out in pain. She looked at the burn and jumped into action and mixed a paste made from baking soda and other things and applied to my hand it gave me instant relief. She saved me. Another memory is how she and Roseanne would jump in the car to chase Fire Engines that were rushing off to emergencies. Mom you will be missed. RIP*

*On behalf of my family and I, please accept our heart felt condolences on the passing of your beloved mother. It's our hope that the Lord will strengthen you, uphold you, and comfort you as you pass through this difficult phase of your life. We'll continue to lift you up in prayer. And, be ye comforted in knowing that weeping may endure for a night, but joy, real joy comes in the morning. Should we remain faithful and true to our God, the Lord will reward us in seeing our loved ones again on that great getting up morning. Sleep on mommy Magda, sleep on and take your rest. See you in the morning.*
