“ I'm so saddened to hear of Chip's passing. He was a wonderful friend of our family, and most recently helped my aging father after my brother, John, passed away. A wonderful friend with a caring soul and a loving heart, I'm blessed to have had him in our lives. We will meet again, dear friend, on the other side. My deepest condolences to his family.

“ So many great memories from our neighborhood in *Underwood Hills*: cars, min-bikes, and motorcycles, playing 8-track tapes in your car, and listening to albums on cassette tapes in your room. We had some great times growing up together in the neighborhood. Rest in peace, my friend. Prayers of comfort for your family.

“ Rest in peace, my friend. I still can't believe you're gone. I'm heartbroken, but also so grateful that our paths crossed and you became such a big part of my life. You weren't just my best friend—you were family.

I keep thinking about all the memories we made—our road trips, the adventures, the baseball games, the laughs, everything. You were always there, and those moments will stay with me forever. I still find myself telling stories about the things we did, the good times we shared.

You left a mark on my life and on my family's life, and that means more than words can say.

Wishing peace, comfort, and strength to Julie and the whole family during this incredibly hard time. You'll always be in my heart.

“ I can't even begin to tell the memories of Chip & Julie in our lives. They have been a part of me and my children's lives from the beginning. Cookouts, Perdido Key trips, baseball, sleepovers, raising our kids together, so many fun times. Chip (and Julie) Hill were an integral part of my life and my children's. Chip kept me laughing all the time. He was such a great man that gave so much. Even though we haven't talked for years, the memories we spent together in our kids early lives, will forever be a part of me. Thank you for the great friendship Chip and thank you for always making me laugh. Sending my sincere sympathies to your family and all our friends we spent so many years with.
