“ Thinking of & remembering Richard Humphrey, he was always a dedicated and, loving man to his amazing & very strong wife Brenda, All of their children, Grand-Children & Great-Grand Children. He was always busy working on something or hunting & I have to say that Richard Humphrey absolutely was always "the most prepared person" I've ever known in my life, for anything and everything that could possibly ever happen. He loved and, cherished his family & having all of the kids around. He was always taking photo's to be sure to have any and all memories of every single occasion possible. I can say he was also an awesome & supportive Father-In Law and, when needed or asked, he was always there to help. He was definitely a man that anyone could say they could always count on. Richard Humphrey was always so welcoming with a huge smile and, was always there for every birth of each of his Grand-Children and Great-Grand-Children. . His face always just lit up like the sun every time when his children, Grand-Children & Great-Grand-Children were around him. I can say, soooo truly that he LOVED Every Single One of Them With His Whole Heart. Richard Humphrey left this world as an honorable, very loved and, cherished man. He has gone home to be with Jesus, leaving behind a very large and, beautiful Family Legacy that he, without a doubt in my mind will be Loved, remembered, missed and talked about with so many stories that will be told over the years of his life and, all of those stories and memories will go so far and, way down the line of his growing legacy. R.I.P Richard Humphrey. You will always be loved and missed by so many.
