My heart breaks for the loss of my dear friend & sister of the heart. This tribute to Marcia is Priceless! I love the pictures of her as a child & growing up. I treasure the memories & moments we shared together. We started our friendship in 1969, 53 years of growing up together, having children together & raising our families and life's journey. I feel BLESSED to have had her in my life & her being Aunt Marcia to our children. We cherish her, Amy & Drew. My heart breaks for Amy & her family, Drew & her precious friends who will miss her. I know, one day we will have a wonderful reunion with her. Until then, she is having happy reunion with her parents & Glenn. And, she is healed. Thank you, Marcia for being a loving friend & the overflowing memories! LOVE YOU!!
