Marcia was my sister, although we were not blood relatives. She respected me as a brother and i respected her as a sister.

Her physical body is gone but her memories will always remain with us.

We enjoyed the moments spent with her during both good times and sad times.

Mala, Shalini, Malnie, Boy and I will continue to always be there you all of you.

“ To Bhai Ramlackhan, Ronnie, Ravi, Ria & Rishi

I know that many years have passed but the memories of your loving mother will always remain within, Lita, Karishma and I always reflect on the many good times that we spend her and all of you. As stated in my remarks at the funeral, 'she was the strongest woman I ever knew" She is honest, hardworking and all around fun person.

God Bless her soul and may she continue to bless all of you from God's Home.
