“ Gayle, Judy and Rick:

*I am very sorry for your loss (and ours). I was so blessed to have her as a mother-in-law and even after divorce she was always like a mother to me. I am proud to be the mother of two of her grandsons and we will never forget Grandma Piggy as the kids affectionately called her!! Love and best wishes to you all!!*

“ Rick we are so sorry for your loss. Words can't express how bad i feel for your family right now, as you know I seem to have to much experience in deaths of loved ones. I know that she will be missed by you, Natalie, and your family. Let us know if there is anything that you need.

“ Judy & Family,

I'm so sorry for your loss, but know that your Mom is now at peace. She sure was a fighter, having survived all these years with her illness. I've known her for years, but also for years I never knew her real name. She was always "Nana" and I even called her that myself for the longest time. One thing you could always tell about her is how much she loved her family. She would do anything in her power to help friends and family. She will truly be missed!##imported-begin##Connie Ellerd##imported-end##
