“ *I went to school with Peggy starting in elementary school. When she got sick in sixth grade, she missed so much school, that they held her back a grade. We still remained friends through high school. Her and I were both short and little, which formed a bond. RIP Peggy.*

“ I graduated from South Hagerstown High School with Peggy in 1972.  
Two years later I got to hang out with fun loving Peggy while I was dating the brother of her first husband. We were both short....she was shorter!  
Many years later, it was such a delight to renew my friendship with Peggy, having dinner with her on 2 occasions when she had her beach home.  
She was still the fun loving Peggy, who now had God very much in her life.  
Rest assured she is with her Lord, and Gerald now.  
My husband and I send our deepest condolences to her family.

“ Oh my word .... There are so many great and fun memories. We definitely had a good time many weekends working in the yard ( well I watched). You and Lee worked. Many shopping trips, plant shopping, trip to Cancun , and so many more. You got me through one of the hardest things in my life when Lee passed away. I am eternally grateful.. rest in peace my friend and if you see Lee tell him I'm doing well. ... love you my friend. 🥰🥰🥰🥰
