“ Aunt Margaret shares a special place in our family's hearts and will be a lasting example of how a person should live their lives. We have so many memories of her from when we were so young and then having the privilege of being around her for so many years is extra special. From the days when Uncle Ray and Uncle Gene would drive to Atlanta to pick us up for Sunday School and Church at Center Hill Baptist church to the many years of homecomings, Aunt Margret was always a loving part of our lives. Her incredible memory of her remembering so many birthdays is ingrained and cherished. Yes, her caramel cake is legend but she along Uncle Ray provided so many wonderful times that we all will continue to draw from. Her devotion of her faith is the most cherished memory and I know her sisters (Lucille and Jessie Mae) and Uncle Grady will be welcoming her with open arms in her new home. What times she gave us while on this earth and we are all better because of her. Our prayers are with you and Gods strength during this time of sorrow and celebration.
